

## INTREPID TREKKERS TRIUMPH AGAIN!

Congratulations to all those who took part in the 106km Isle of Wight Challenge over the Bank Holiday weekend – a fantastic effort in quite difficult conditions – with strong winds and very cold night-time temperatures adding to the challenge. We hope you are all recovering well! We are so proud of all the parents who took part and thank you for inspiring the next generation to fundraise for different causes in the future. Thank you to the whole community for all the donations – the school will ensure that all donations go towards providing even better opportunities for our pupils in the future.

## THE SUN IS SHINING!

Pupils from Nursery to Year 3 have been enjoying the sunshine in our recently renovated garden (thank you to Ms Allen and the parent volunteers).

We have introduced a new jacket system which will give 3 pupils from each class the chance to embrace the garden at playtime and lunchtime. Each teacher will choose 3 different children for each break time.

Below you will see some pictures that show the pupils working collaboratively and playing beautifully. Keep it up everyone!

## DRESS UP DAY FOR ST GEORGE'S HOSPITAL!

On Friday 26<sup>th</sup> April pupils were invited to come to school in their pyjamas or dressed as a medical professional. It was a great way to raise awareness of the way St George's Hospital serves the community. The Head Pupils from the Autumn and Spring Terms took the donations to the hospital and even visited the school within the hospital. We heard about how the school enables children to learn even when they are too poorly to attend their own school. We will visit them again soon!

## WHICH CAME FIRST, THE CHICKEN OR THE EGG?

Pupils from Reception and Nursery have been eagerly observing the eggs outside their classrooms. They have also been estimating the date and time of when they think the eggs will hatch.

When the eggs finally hatched, out popped lots of little chicks! We have been looking after them very carefully and we will miss them when they leave us.

## TERRIFIC READERS & WRITERS!

Across the school we use the scheme [Talk+Writing](#) to support our teaching and learning. This week the pupils in Nursery have been mapping out the story of the Little Red Hen using numbers and pictures. This helps them to gain a secure understanding of the story and the impact the language has on the reader or listener.

You can see the founder (and a friend of Floreat!), [Pie Corbett](#), in action on YouTube by clicking on the link below (alternatively type 'Pie Corbett' into the YouTube search bar).

## HELP MAKE OUR SCHOOL EVEN BETTER

We are looking to make our school by reviewing and improving the following:

### OUR CURRICULUM OFFER

Thank you for all the contributions from parents so far! The teachers have also had a chance to give their opinions and next we will be asking the pupils about how the learning experience can be even better for them. This is a very important part of the review process as we look to gain an even better understanding of their wishes for the future.

### REPORTING TO PARENTS

We are also in the process of reviewing and improving the way we report to parents. Please do send in your opinions and we will take your views into account before completing the end of year reports.

Please keep sending in your feedback to the School Office by emailing [office@wandsworth.floreat.org.uk](mailto:office@wandsworth.floreat.org.uk). All feedback is appreciated and is shared with the team in an anonymised format.

## THE CALM SCHOOL CODE

Act kindly.

Speak nicely.

Listen carefully.

Move calmly.

## SAVE THE DATES & TOP TIPS

We have now set the dates for the remainder of the Summer Term – please see the **Dates for the Diary** section on the back of this newsletter.

The team have spread the events out as much as possible and always take the needs of families, pupils and staff into consideration. We appreciate that the Summer Term is always a busy period for families and we know that it can be difficult to manage school commitments alongside family and work commitments. We can, however, share some top tips to help you manage the end of year experience.

1. If you cannot make an event could a **relative or a friend of the family** come along to support your child? This has been a very successful strategy for our Floreat families in previous years.
2. Why not **'buddy up'** with another parent or family from within your year group. Our parents and families have always been very good at encouraging other children and giving them a big thumbs up at the end of a performance or event! This is very much in keeping with our strong and positive community spirit.
3. Please keep your **Class Teacher** and **Teaching Assistant** aware of any events that you are not able to attend and they will help to manage your child's expectations.

If you have any questions about the points above please do see Mr Custance, Ms Burke, Mrs Fry or Mrs Davies who will be happy to give advice where necessary.
