FLOREAT WANDSWORTH PUPIL PREMIUM GRANT KEY PRINCIPLES

1. Floreat Wandsworth has a commitment to **raise achievements** for pupils who are eligible for Pupil Premium and knows these pupils must make faster progress than non-eligible pupils and is determined to achieve this.
2. We never confuse eligible pupils with low ability and strives to '**bring out the best**' in this group of pupils and support them to achieve the highest levels.
3. We create an overall **package of support** aimed to tackle the range of barriers including; attendance, behaviour, external factors, professional development focussing on improving outcomes for eligible pupils, improving the quality of teaching and learning, language acquisition, parental engagement, opportunities for first-hand experiences and development of literacy and numeracy skills.
4. Floreat Wandsworth uses assessment systems to **track progress** and enable thorough analysis of data (Reading, Writing and Maths) to identify pupils who are under achieving and why.
5. Floreat Wandsworth directs resources and interventions to **accelerate progress** of eligible pupils and close the attainment gap compared to their peers.
6. Floreat Wandsworth uses data to carefully **track the impact of targeted spending** (interventions, projects or pedagogy) on attainment and progress of eligible pupils.
7. The **Headteacher** has a clear overview of how funding is allocated and the difference it is making to the outcomes of pupils termly.
8. Floreat Wandsworth ensures **class teachers, phase leaders and subject leaders know which pupils are eligible** for Pupil Premium so they can take responsibility for accelerating progress and accountability is shared across the academy.
9. The **Local Governing Body** is ambitious for pupils and closely monitors the academy's effectiveness in closing the gap between different groups of pupils. A review is conducted at the end of each academic year.
