

RUGBY STARS OF THE FUTURE!

On Friday 12th January sixteen Year 2 pupils made their way from Floreat Wandsworth to Wandsworth Common for their very first sporting fixture. Accompanied by Mr Custance, Mrs Hearn and Mr Gallagher the children excitedly prepared for their upcoming matches.

The chosen sport was Tag Rugby, with 2 teams of 8 pupils being chosen from both Curie and Edison class. After a 6 week Autumn Half Term of Tag Rugby during PE, we wanted to give as many children as we could from Year 2 the chance to experience a competition fixture against another school and Wandsworth Preparatory School were up for the challenge.

Both teams did exceptionally well in all matches, scoring lots of tries and making amazing tags! Team Navy and Team Turquoise played 3 matches in total, playing each other once and playing the 2 teams from Wandsworth Preparatory School once each. Not only did all the children show incredible sportsmanship and effort, they also displayed immaculate behaviour throughout. A real credit to themselves, their parents and the school. Well done! Also a big thank you to our Floreat families for their amazing support - see below for a photo of our number one fans!

We already have a football fixture lined up for March, which will provide a chance for another sixteen children to experience representing their school in a sporting fixture. We hope to involve as many Year 2 children as possible throughout the course of 2018 and current planning is underway to book more fixtures for the near future. Mr Gallagher, Head of Sport.

TELLING THE TIME

We recognise that the skill of telling the time can take years to master. We actively encourage pupils to wear watches to school to help them overcome this challenge.

We have selected some examples of watches we think are appropriate:

No beeping sounds, games or alarms
Non-bulky and plain
Comfortable strap

Clear numbers
Analogue display
Navy coloured

PHONICS

We would like to highlight a great phonics video for you to view at home. Tami, author of our reading books and a friend of Floreat, demonstrates the correct pronunciation for each sound. Click on either of the pictures below to be taken to the relevant YouTube page or type 'Tami Phonics' into the YouTube search bar.
