

## Autumn Term 2022 – Parent Information & Updates

Hi, my name is Mr. Sam Barton and I am the new Head of Sport at Floreat Wandsworth. I am responsible for all things PE and Sport at the school. Me & my team of coaches are very excited for the year ahead; providing your children with regularly opportunities to be **inspired**, to **develop** their sporting skills, and to **achieve** their goals.

You may recognise me from previous extra-curricular clubs, sports days or even half term camps. I am the Camps Manager of our amazing camp we run at Floreat.

Throughout the Autumn Term, the children will be learning a variety of different sporting skills:

**Reception** will be introduced to Sport and PE through activities which incorporate movement, spatial awareness, fine and gross motor control, teamwork, decision making and problem solving. They will also be exposed to a variety of different sporting equipment, developing their knowledge of sport.

**Years 1 and 2** lessons will be aimed at increasing their skill, understanding and knowledge of sport as a whole through fundamental activities, which involve a variety of different sporting needs e.g., throwing and catching, kicking, jumping etc. Their lessons will begin to provide exposure to the sports which KS2 children will be participating in, giving them a head start before moving from KS1 to KS2.

**Years 3,4,5 and 6** will follow a detailed sports curriculum map, participating in one sport per half term. Along with this sport, the children will be given opportunities to develop not only their skill and understanding, but also their teamwork and social skills throughout the means of sport.

Any questions, regarding any of the above or more, please stop me and say hello when you see me at school. The full sports curriculum map can be found on the schools' website.

Best wishes,

Mr. Sam Barton
