Harrison Catering Services

London Borough of Wandsworth

About Your Catering Service

We are delighted to be working in partnership with the London Borough of Wandsworth. Founded in 1994, we are an award-winning company with a vision to encourage children to explore new tastes and make healthier food choices through their formative years, which will positively influence them for life.

What's on the Menu

Our approach, wherever possible, is to use quality, sustainably-sourced, seasonal fresh food, including ingredients, such as British free-range eggs and British sourced fresh meat and poultry.

Our menus are created with local tastes, preferences in mind and offer a range of popular, delicious, full of flavour dishes to encourage balanced meal choices and we follow the school food standards.

We will introduce further interest and excitement to our menus with organised additional food experiences, pop-ups, themed events with links to the school's curriculum, cultural and celebration dates, aimed at creating a fun, engaging and enjoyable dining experience.

Allergen Information

We recognise that some children may have an allergen or intolerance to one of the 14 common food allergens. We have robust processes in place to assist the school in managing. For more information, please contact our Catering Manager.

Red = Allergen

- All food is freshly prepared on site each day and if any of the 14 common food allergens present, they are listed in red against each menu item and are intended as a guide to help with the choice of meal. For operational reasons it may be necessary to alter a recipe at short notice and therefore **your child or the member of school staff who presents your child at the counter must check each time before being served with the food.**
- The Company handles many of the 14 common food allergens in our busy kitchens and so therefore cannot guarantee that our food is 100% free from specific food allergens
- There are foods not on the list of 14 common food allergens which can cause allergic reactions in a small number of people and if your child has such an allergy, **they or school member must check each time before being served with the food.**

Our allergen process is written to protect the welfare of the children.

Our very own company
nutritionist, Dr Juliet Gray,
